

Rakim, Guess Who's Back (Alternative Mix)

“Once again back is the incredible” --> Chuck D

Yeah, yeah

It's the return of the Wild Style fashionist
Smashin hits, make it hard to adapt to this
Put pizzazz and jazz in this, and cash in this
Mastered this, flash this and make em clap to this
DJ's throw on cuts and obey the crowd
Just pump the volume up, and play it loud
Hip-Hop's embedded, before I said I wouldn't let it
But me and the microphone is still magnetic
Straight off the top, I knew I'd be forced to rock
Dancefloors just stop, the spot's scorchin hot
Hoping I open Rakim Allah seminars
Massage at the bar smokin ten dollar cigars
while I admire midas, with more vision than TV's
I find it easy catchin diabetes from fly sweeties
Sit back and wait to hear a slammin track
Rockin jams by popular demand, I'm back
