

# Raleytar, Nina

Nina what you're doing at night  
Nina i know that i was so blind  
Nina you deserve more than i  
Oh Nina don't you never cry...  
Nina, girl it was just because  
Nina then the problems arose  
Nina solitude is too bad  
Oh Nina forgive me what i made  
Nina, where are you..?  
Nina, who are you, who are you..?  
Nina don't you never see  
Nina what then will be  
Nina the reason to die  
Oh it's that what makes me cry  
Nina what I ever said  
Nina it's time for the dead  
Nina remember me always  
like as it was yesterday  
Nina it was a mistake  
Nina i do it for your sake  
Nina you had gone  
Oh forgive what i have done  
Nina it is a long road  
Nina all the things i thought  
Nina i can't say it now  
Oh Nina don't shout it out  
Nina, where are you..?  
Nina, who are you, who are you..?  
Nina don't you never see  
Nina what then will be  
Nina the reason to die  
Oh it's that what makes me cry  
Nina, Nina... Nina, Nina...
