

Rammstein, Pussy

to big , to small
size does matter after all

...

mercedenz benz, und authobhan
alleine in das Ausland fahren
reaise rreise,
.ich will nur spas
mich nicht verlieben

just a little bit
just a little bitch

you've got a pussy
I have a dick
so what's the problem
let's do it quick
so take me now before it's too late
life's to short so I can't wait
take me now, don't you see
I can't get laid in Germany

to big , to small
size does matter after all

....

schones fraulein, lust auf mehr
blitzkrieg mit dem fleischgewehr
schnaps im kopf
du holde braut
steck bratwurst in dein sauerkraut

just a little bit
just a little bitch

you've got a pussy
I have a dick
so what's the problem
let's do it quick
so take me now before it's too late
life's to short so I can't wait
take me now, don't you see
I can't get laid in Germany
