## Ramones, Palisades Park

Last night I took a walk in the dark To a place called Palisades Park To have some fun, to see what I could see That's where the girls are

I took a ride on the shoopty shoop The girl I sat with almost, almost puked And when it stopped, she was holding hands with me

My arms were flying up, like a rocket ship Down, like a roller coaster Fast, like a loopty loop Then around, like a merry-go-round We even at a hot dog stand Slam danced to a rockin' band And when she winked, I gave that girl a hug In the tunnel of love

You'll never know how good it just can feel 'Til it stops at the top of the ferris wheel I fell in love, down at Palisades Park
