

# Ramones, She's The One

Yeah yeah she's the one  
Yeah yeah she's the one  
When I see her on the street  
You know she makes my life complete  
And you know I told you so  
She's the one, she's the one  
Yeah yeah she's my girl  
Yeah yeah she's my girl  
When I see her on the street  
You know she makes my life complete  
And you know I told you so  
She's the one, she's the one  
She's the one  
Know I'll never find a girl like you  
But in my heart I'll always love you  
Yeah yeah she's the one...  
When I see her on the street  
You know she makes my life complete  
And you know I told you so  
She's the one, she's the one  
She's the one  
Know I'll never find a girl like you  
But in my heart I'll always be true  
Yeah yeah she's the girl  
The best girl in the whole wide world  
When I see her on...  
She's the one  
She's the one, she's the one, she's the one  
She's the one, she's the one, she's the one  
She's the one, she's the one, she's the one
