Well the people wanna know what you tryin to say

You're not pushin that violence or fightin or anythin

(R) Check the album

(I) Well let me ask you a question

How you gonna handle fame and fortune as a rapper?

(Rampage)

I'm sittin in the room, smokin a fat pack of boom

Watchin a crazy cartoon, plus my hours comin soon

It's a minute to midnight

I'm soon to take flight

I'm sounded right, sucka niggas can't see my light

I'm nervous, Ready wanna know how I'm comin

The Boy Scout drop the true shit then I'm hummin

It's my check in the mail, with my book of rowdy record sale

All in my mind, when I'm bitin my nail

I just can't felt, I'm the heavyweight that takin the scale

I gotta get mine, so I gotta raise hell

I'm vaxin in this rap biz alone

Like a cyclone, watchin head get flownd

With the quickness, temple to type shape it is

It's the Boy Scout Superman that's with this

You know you can't see this, droppin street shit non stop

This was Da Night B4 My Shit Drop

(I) Yeah I'm back with Rampage

And Rampage, I think your are afraid of the heat

(R) This was Da Night B4 My Shit Drop

(I) Maybe there's just too much pressure on a rapper

Whose album comes out tomorrow comes out tomorrow

(R) This was Da Night B4 My Shit Drop

Are you one of those New Jack rappers

who just started rappin or somethin

(R) This was Da Night B4 My Shit Drop

The audience wants to know are you tryin to say somethin know

(R) This was Da Night B4 My Shit Drop

(Rampage)

As a new artist, I know some party peoples want to try me

Why me? Because the Rampage is a mystery

Reingin supreme and all that, I'm packin my gat

The Boy Scout is up to bat

I'm swingin, crack the bat, it's a homerun

No way to rope son, I'm shakin at the top done

As I flip my lid, rap to me

Is a lifetime bid, I'm locked down to be shakin it kid

I did it, Brooklyn bound to reck the whole place

As my beats meet ya town

I'm stressed so tell me what's the phenoms

I gotta keep calm hopin the Red Oktoba album is the bomb
East to West, I'm still droppin street shit non stop
