

Rampage, Take It To The Streets

Rock on, Rock on, Rock on.....

Verse 1:

I got chicks in my livin room shakin they Asses

Flip Mode get ya high smokin grass

Yo its all about fun sex n' drugs

Makin more money than all ya rap thugs

Im seenin broads and blunts passed around

Rampage is the nigga from underground

Sweet potato

Kid crusader

I want a shorty like Jada

Tits are off like a mile later

So we can get buck wild

That's my style

Im in a mansion in Strong Isle

Drinkin Don P and Crystal

Yo that's the spoke file

Im livin like Adino Brown

Bow down Im the talk of the town

This is the low down

My show down, you can bet all your chips

Im a take you around the world run up in ya girl

Ramps in, call me Earl, uh

Chorus:

Niggas everywhere, DJ's everywhere rockin to Ramps new beat

When I hear his music i cant help but get down like they do

Verse 2:

Upside down Im a turn it out bust it out

Im the one you talkin about

Hitin Hennessie with my peeps from Tennessee

Givin you a head rush straight to your dome

Im in the zone

Plus Im sitin on chrome

You jealous What? Take your black ass home

Yo spots been blown from the brown skin pretty tone

I got it sown plus Im bad to the bone

Its hot to def

Make you breathe yo last breath

We could take it to the streets

We could call the ref

Yo Im makin mad moves that's way to the top

Flip Mode is the squad and the Ramp wont stop

Chorus:

Niggas everywhere, DJ's everywhere rockin to Ramps new beat

When I hear his music i cant help but get down like they do

Verse 3:

Im doin what i gotta do

I hear Charlie

Rampage is the boss of New York

Yo I fill more fantasies than Mr. Rork

Don't eat pork

Rap is the game I start

Keep it movin, throw yo hands in the air

Shake yo ass like you just don't care

Shake yo ass like you just don't care

Shake yo ass like you just don't care

Chorus:

Take a look around, its plain to see that everybody's bopin to Ramps

new

music in the street

I hear music in the street, and I hear a funky beat and i get down,

ohhh

I get down

Niggas everywhere, DJ's everywhere rockin to Ramps new beat

When i hear his music I cant help but get down like they do
Rock on Rock on Rock on.....
