

Rancid, Crash, Culture And Violence

He says his power is what's happenin
Well soon he'll be expecting nothing will be stopping him
And to move out for him will be crushin them
And they'll kick plain and simple it's a sin man's game
???? will detect this
And they make sure that you will stand erected
He drives a tricked-out kicked-out tricked- out lexus
Then he looks at the stage and says he can take this
???????? and then one leads in
Well it's so fuckin high that your nose bleeds
They watch while they break the nose of respect
They broke their nose that is correct
The gates of hell are closin in
The victim family are gonna condem him
He said "OHHHHh i don't trust them"
Yeah i'll show them
He stole the jewel of imagination
Cash,culture, and violence
Violence welding and knowledge
Cash,culture, and violence
The writing and the writing on the wing of deception
Cash, culture, and violence
He stole the jewel of imagination
Cash, culture, and violence
Forgin like a rat that plays some strict night
A man named marcus ???? to happen
Bear chronic military federation
Live the dead only to arise again
Oh the delicate scatter, heard the rumble
And the legions on the chimney, run they crumble
Consequently nothing but a concrete jungle
And ohhh i wonder
He stole the jewel of imagination
Cash,culture, and violence
Violence welding and knowledge
Cash,culture, and violence
The writing and the writing on the wing of deception
Cash, culture, and violence
He stole the jewel of imagination
Cash, culture, and violence
The meek are standin, conscience bear
That's the one that they call straight to hell
Psychosomatic, calm down
All your ...
He stole the jewel of imagination
Cash,culture, and violence
Violence welding and knowledge
Cash,culture, and violence
The writing and the writing on the wing of deception
Cash, culture, and violence
He stole the jewel of imagination
Cash, culture, and violence
Cash.... culture..... and violence
