

Rancid, The Ballad Of Jimmy And Johnny

Jimmy & Johnny are two friends of mine Skinheads what they claim Outside
similarities but they don't feel the same
Johnny thinks Jimmy's a mod & Jimmy
thinks Johnny's a punk Jimmy listens to ska & Johnny likes Last Resort
Jimmy
& Johnny in the trenches
Went down tonight drinkin' Guinness smokin' sees once
You're in the middle you feel alright Skinhead tats and a Fred Perry
There's
a war in the cemetery
Start to fight stop drinkin' what the f**k were they
thinkin'
Jimmy and Johnny tell me what you're seein Jimmy had his Two Tone
girl on the back of his scooter that night Johnny had a jacked up Chevy that
could blow you right off the line
gunshot.
