

# Randy Crawford, All I Do

You've made my soul a burning fire  
You're getting to be my one desire  
You're getting to be all that matters to me  
And let me tell you boy  
I hope and pray each day I live  
A little more love I'll have to give  
A little more love that's devoted and true  
Cause all I do is think about you  
All I do is think about you

Baby just suppose if I should happen to cross your mind  
And by some chance a girl like me  
That you've been trying to find

Let me tell you boy  
Think how exciting it would be  
If you should discover you feel like me

if you should discover this dream is for two  
Let me tell you now

I light a candle every day  
And pray you'll always feel this way  
And pray that our love will forever be new  
Cause all I do is think about you

I light a candle everday  
And pray you'll always feel this way  
And pray that our love will forever be new

If I cannot have you for my own  
I'd rather be lonely and all alone  
I'd rather keep thinking the way I do  
Cause all I do is think about you
