

Randy Crawford, Sweetest Thing

Sweetest Thing

Like the brightest moon
You take away the shadows from my night
Like the sweetest tune
You take the blue and turn it into white

As sure as every wave that breaks
I'll follow every move you make
I do, I do

Cause your light shines so bright
I see it glow though your skin
Your love is the sweetest thing
I'm so high tonight
Like I'm floating on air
I can feel you everywhere

Your loves the sweetest thing
Loves the sweetest thing

Like the perfect kiss
Leaves you breathless when two hearts make one
And with your heavenly caress
You let me know the best is yet to come

I hang on to every word you say
Cause no one else makes me feel the way
You do, you do

Cause your light
shines so bright
I see it glowing through your skin
Your love is the sweetest thing
I'm so high tonight
Like I'm floating on air
I can feel you everywhere

Your loves the sweetest thing
Loves the sweetest thing
