

# Randy, I Won't Play That Song

Have you heard about the latest craze  
All around the airwaves  
Makes you wonder just how little it takes to make us dance these days  
It ain't no mashed potato, it sure ain't no funky chicken  
And all the heroes've been dismissed as has-beens

Come on let's go! Come on let's go!  
Let's go to them no  
I won't play those songs on my stereo

I can live with almost anything  
But at least I need an honest voice to sing  
Sing to me now and then to keep my pencil working  
Have you heard the latest song? Yes, they are all around my radio  
It makes you wonder just how little it takes to make us dance these days

Come on let's go! Come on let's go!  
Let's go to them no  
I won't play those songs on my stereo  
Come on let's go! Come on let's go!  
Let's go to them no  
I won't play those songs on my stereo

Let's go to them no - Wow! Freak out boys!  
Let's go to them no

Come on let's go! Come on let's go!  
Let's go to them no  
I won't play those songs on my stereo  
Come on let's go! Come on let's go!  
Let's go to them no  
I won't play those songs on my stereo
