

Randy Newman, He Gives Us All His Love

He gives us all his love
He gives us all his love
He's smiling down on us
From up above
And he's giving us all his love
He knows how hard we're trying
He hears the babies crying
He sees the old folks dying
And he gives us all his love
Now if you need someone to talk to
You can always talk to him
And if you need someone to lean on
You can lean on him
He give us all his love
He gives us all his love
He's smiling down on us
From up above
And he's giving us all his love
He's smiling down on us
From up above
He gives us all his love
