

Randy, Nothing On Me

I got questioned one day by the FBI.
They say they got their information from a CIA spy.
Who got his tip from the KGB.
But they got nothing on me.

Some company detective got his eyes on me.
Cause I download some songs on mp3.
And I got catcher in the rye in my library.
But they got nothing on me.

P.O.L.I.C.E
They got nothing on me.
Nothing on me.

Arrested and held by the Scotland Yard.
The secret service men told them that I messed with a guard.
They said that they would call me in the military.
But they got nothing on me.

P.O.L.I.C.E
They got nothing on me.
Nothing on me.
Nothing on me.
Nothing on me.
Nothing on me.
