

# Randy Travis, Forever and ever amen

You may think that Im talking foolish  
Youve heard that Im wild & Im free  
You may wonder how I can promise you now  
This love that Im feeling for you always will be  
Youre not this time that Im killing  
Im no longer one of those guys  
As sure as I live this love that I give  
Is gonna be yours till the day that I die -- oh baby  
Chorus...

Im gonna love you forever, forever & ever amen  
As long as old men sit & talk about the weather  
As long as old women sit & talk about old men  
If you wonder how long Ill be faithfull  
Ill be happy to tell you again  
Im gonna love you forever & ever, forever & ever amen  
They say that time takes its toll on a body  
Makes the young girls brown hair turn grey  
But honey, I dont care, Im not in love with your hair  
And if it all fell out well Id love you anyway  
They say that time can play tricks on a memory  
And people forget things that they knew  
But its easy to see its happening to me  
Ive already forgotten every woman but you --- oh baby  
Chorus.....

Just listen to how this song ends  
Im gonna love you forever & ever forever & ever  
Forever & ever forever & ever amen
