

Randy Travis, Is It Still Over?

Being without you has turned out to be so inconvenient
and wishing i was with you just seems to use up all my time
you been gone so long that it's hard to recall just how the dream went
and all but this broken heart and me i guesss is doing' fine

(chorus)

is it still over are we still through

since my phone still aint ringing

i assume it still aint you

i'll have to mind to take the time to find somebody new

but i'm not sure that i'm still over you

that lie that i tried to slip by you was told with good intentions

it was just another way to say i love you and protect you from the truth

and half a pound of cure is surely worth a half an ounce of good prevention

and trying to explain while i'm insane is the hardest thing i've ever tried to

do

(chorus 2x)

if i repeat myself it's 'cause i've nothing else to do

but i'm not sure that i'm still over you
