

# Randy Travis, Since Jesus Came Into My Heart

What a wonderful change in my life has been brought  
Since Jesus came into my heart  
I had lied in my soul for so long I had sought  
When Jesus came into my heart

Since Jesus came into my heart  
Since Jesus came into my heart  
Floods of joy fill my soul  
Like when sea billows roll  
Since Jesus came into my heart

Since Jesus came into my heart  
Since Jesus came into my heart  
Floods of joy fill my soul  
Like when sea billows roll  
Since Jesus came into my heart

[Break - mandolin/harmonica]

Ah, since Jesus came into my heart  
Since Jesus came into my heart  
Floods of joy fill my soul  
Like when sea billows roll  
Since Jesus came into my heart

Ah, since Jesus came into my heart  
Since Jesus came into my heart  
Floods of joy fill my soul  
Like when sea billows roll  
Since Jesus came into my heart

[Break - guitar/fiddle]

Ah, since Jesus came into my heart  
Since Jesus came into my heart  
Floods of joy fill my soul  
Like when sea billows roll  
Since Jesus came into my heart

Floods of joy filled my soul  
Like when sea billows roll  
Since Jesus came into my heart
