

Rapeman, Up Beat

You make me really mad
If I didn't know better
I'd swear you were trying to get me
To take you apart and put you back together
Wrong

You're total ***
You're total fucked
Stay outta my hemisphere baby

All I wanna do is wipe your ass
Completely deflating my mood
As if I really needed a reason
To stomp an obvious pussy like yourself

You're a waste of skin
I'm fixing to vomit
A freak and a slob like you
I bet you've got a lot of friends

Your timing really sucks

Now, I'm not impressed
They'll kick your ass

That's all right with me
I wanna shoot you anyway
Step up to the window, prick
Free will'll blow you away

If I had six inches and
Maybe 50 pounds of

You really have to watch your ass

I suppose I'm not too threatening presently
But wait till I start Nautilus...
