Da Un-bea-ta-bles
Chorus: Is Valezka, Raptile
This sh** hear real loud
Put your hands up in the sky
Da Un-bea-ta-bles
We don't care what you say
Understand, we don't play
We're the realest in the game
Da Un-bea-ta-bles
Ey, yo, it's Rabby, all the gymalin rap beats
Fade up in your face like pimpers ain't at me
Haters kicked aways, we spit like athleats
(hey, hey, hey, hey!)
This sh** is for ya all, a victim of my time, you said it
But still silent, still rhymenin' in English
Still seryl, when I drop the verse
You still shout it out: FUCK DA WORLD!
Could now everybody's so mad at me
Because I said German rappers are no better - we
have told everybody infaticly
MONSTABLOKAZ - we ain't never stare
Was one piece in this piece
Ya all motherf***ers want beef to this beef
U wanna take it to the stage or the streets
We'll murder you (murder you), murder you (murder you)
Chorus: Is Valezka, Raptile ...
Get it right ya'll, it's the mikes draw
Unbeatables - left the mikes
Expect the nice flow with 'boom' and beats
I'm right here boy, because you do to me
nothing - I flow different way you listenin'
To do lo do, to do ruded disaplin (oh!)
You too cool to to role and get with this
I don't care dog, I won't
I rhyme like CRASH, sound like YES
I'm on the ground like CLIPS, I'm on your mind like SEX (sex, sex, sex...)
Everyday
I don't give a fu**, what you expect me to say?
MONSTABLOKAZ - we kill you dogs,
Give me one more year, hit the Bilboard Charts
Rollin' with the rag, you know who had a tude,
Raptile's so cool, cool, cool
Chorus: Is Valezka, Raptile...
Talkin' the BC
Dreamin' you'll beat us
Which awesome we'll lay you down
'Cause it seems like nobody
It's in the streets and your parties
Like Raptile we make ya'll bounce
La la la la la la (3 x)
Da Un-beat-ab-les
La la la la la la (3 x)
Da Un-beat-ab-les
'Cause it seems like nobody ...
