

# Rasmus, Guilty

I feel guilty  
my words are empty  
no signs to give you  
i don't have the time for you

you say i'm heartless  
and you say i don't care  
i used to be there for you  
and you've said i seem so dead, that i have changed  
but so have you

guilty, guilty i feel so  
empty, empty you know how to make me feel

i put a shield upon you  
i didn't mean to hurt you  
i would have only poisoned your mind  
never meant to make you cry

you've been so thoughtless  
i can see right through you  
you used to be there for me  
so don't you leave say goodbye  
cause you have changed but so have i

i never thought that the time and the distance  
between us made you so much colder  
i'll carry the world on my shoulders
