## Rasmus, Shot

Tonight we escape just you and me we'll find our peace somewhere across the seas?

enough of the fright enough of the fuss I'll be awake if he finds us needless to say I'll stand in your way I will protect you and I...

I'll take the shot for you I'll be the shield for you needless to say I'll stand in your way I'll take the shot for you I'll give my life for you I'll make it stop I'll take the shot for you for you

tonight we'll be free I'll find us a home? tonight we will be finally on our own

enough of the hell enough of the pain I won't let him touch you I love you needless to say I'll stand in your way I will defend you and I'll....

I'll take the...

enough of the scars enough broken hearts I will protect you and I..

I'll take the shot I'll make it stop

I'll make it stop I'll take the shot
