

Rasputina, Flood Corps

Spoken:

The volunteer citizen navy had been given instructions to tie the numberless, nightmarish corpses to the shore. Increasingly, the recovery of the dead has become more commonplace. In an apartment home for the elderly, as patients started to die, nurses tried to protect their dignity. A place of overflowing toilets, a sweltering heat, and a stench. He sat on his porch eating pickled pig lips. Others had to leap from rooftop to rooftop. There's another
