

Ratt, Dr. Rock

You wanna take a break
We'd like to take you there
You wanna travel the world
I know about these things
It's only one of those games
You know you need to rock
Don't need to break your leg
Call your Dr. Rock

Don't need no headache
Don't need to move so slow
Don't need no heartache
Just let the good times roll
It's only one of those things
You know ya need to stop
Don't need to break your leg
Call your Dr. Rock

You know in your way
There's no other way
You'll need your time
There's no other way
Call your Dr. Rock

A runway in L.A.
The engines soothe my soul
No monkey on my back
I'm finally on the track
It's easy when the world is my home

Ya know in your way
There's no other way
You'll need your time
There's no other way
There's no other way
No other way, no other way
No other way, no other way, there's no other way
