

Ratt, I Want It All

Take it or leave it on a Saturday night
If there's something there to take I'm gonna make it mine
Ya thought that I was crazy but you can't really tell
Got to make a break from this livin' hell
Breakin' down the walls I want to have it all
Ain't got no time to waste yeah it's gettin' late
Don't wanna fall
I want it all
Shakin' like a leaf on a cherry tree

I want it all or nothin'
Don't just give it away
There's got to be a price to pay
I want it all or nothin'
Had enough for today
Now there's nothin' left to say

I'm lean and mean I'm just a moving machine
I'm full of fun I'll be your number one
I'm suicide I'll make your temperature rise
I'm over done just take a look in my eyes

I want it all or nothin'
Don't just give it away
There's got to be a price to pay
I want it all or nothin'
Had enough for today
Now there's nothin' left to say

There's nothin' left to say
I'm gonna make you pay
I want it all or nothin'
Oh yeah

I want it all or nothin'
Don't just give it away
There's got to be a price to pay
I want it all or nothin'
Had enough for today
There never gonna take that away

I want it all or nothin'
Don't just give it away
There's got to be a price to pay
I want it all or nothin'
Had enough for today
There never gonna take that away
I want it all
