

# Ratt, Mother Blues

I never knew I had a father until I lost the sun  
I didn't understand what he did or what he has done  
He took it much too far took it all in stride  
I'll never reach the top of the mountain  
Until I find out why

Mother blues  
Mother blues

Came from this place there's no mistake  
Where livin's not much fun  
He knew his chances for romancing  
He knew it all along

He took it much too far  
Took it all in stride  
I'll never reach the top of the mountain  
Till I find out why

Mother blues  
Mother blues

I'm gonna meet you there  
I'm gonna find you  
I know I'll see you soon

He took it much too far  
Took it all in stride  
I'll never reach the top of the mountain  
Till I find out why
