

# Ratt, What You Give Is What You Get

I make my moves  
I make them right  
I don't refuse  
I keep it light  
I take command  
Of the scene  
Because for me  
There's no in-betweens

I keep holdin' on  
Holdin' on through the night  
I keep holdin' on  
Holdin' on through the night

'Cause it's so easy to forget  
What you give is what you get  
It's so easy to forget  
What you give is what you get (What you get)

I take my time  
And I don't care  
This love ain't right  
What's fair is fair  
If you just ask  
You will receive  
Give me the task  
I aim to please

I keep holdin' on  
Holdin' on through the night  
I keep holdin' on  
Holdin' on through the night

'Cause it's so easy to forget  
What you give is what you get  
It's so easy to forget  
What you give is what you get (What you get)

'Cause it's so easy to forget  
What you give is what you get (What you get)  
It's so easy to forget  
What you give is what you get (What you get)

It's so easy, yeah

'Cause it's so easy to forget  
What you give is what you get (What you get is what you get)  
It's so easy to forget  
What you give is what you get (What you get)

'Cause it's so easy to forget  
What you give is what you get (What you get)  
It's so easy to forget  
What you give is what you get (What you get)
