

Raven-Symon, Typical

I'm not just
An ordinary me
I've got my own
Individuality
Not the same
So why should I pretend
To only blend into the crowd
Because
I don't wanna be just typical
Only wanna be original...and say
Never wanna be just typical
Cause you write the world you live in
And I'm gonna do it my own way
Ay ya....ay ya...ay ya...ay ya...
My style is
Anything I like
I am myself
And I never compromise
Can't be her
But I can be the only girl
In all the world that's me
Because
I don't wanna be just typical
Only wanna be original...and say
Never wanna be just typical
Cause you write the world you live in
And I'm gonna do it my own way
I could never be somebody
Else I know I never will
We're beautiful the way we are
And that's...never just...typical
[Chorus]
