She save her lovin, early in the mornin  
just for me  
She save her lovin , early in the mornin  
just for me  
she saves her lovin, just for me  
she loves me so tenderly,  
Ive got a women way over town,  
Thats good to me

shes there to love me  
everyday and night,  
never rolls or fusses  
she treats me right,  
never runs in the streets  
or leaves me alone,  
shes knows a womens place  
right there in her home

say i got a women, way over town  
thats good to me
