

# Ray Charles, Quiet Night

Horace was a poet who adored the night;  
In his verse he always underscored the night.  
I recall what Horace said in Latin  
A -&quot;Never make your love affair a matinee!&quot;;  
Wait till after dark for the classic spark.

Quiet night  
And all around the calm and boring weather;  
Quiet night  
No other sound, but hearts that beat together  
You can almost hear the things I'm thinking;  
You can almost see my heart take flight...  
Whisper low but don't say &quot;No&quot;;  
It's such a quiet night!
