Ray Charles, Smack Dab In The Middle

Pick me a town

In any clime

Where people like

A rockin time

And stay awake

Both day and night

Till everybody's feelin good an' right

Then throw me

(Smack dab in the middle)

I wanna be

(Smack dab in the middle)

Ahhhhh, smack dab in the middle, boys now

So I can rock and roll to satisfy my soul

Ten Cadillacs

A diamond mill

Ten suits of clothes

To dress to kill

A ten room house

Some Bar B Q

And fifty chicks not over twenty-two

Then throw me

(Smack dab in the middle)

Oh, I wanna be

(Smack dab in the middle)

Àhhhhh, now boys you can see why I wanna be smack dab in the middle now

So I can rock and roll to satisfy my soul

One hundred beds

With chorus girls

A street that's paved

With natural pearls

A wagon load

Of bonds and stocks

Then open up the door at Fort Knox

Then throw me

(Smack dab in the middle)

I wanna be

(Smack dab in the middle)

Ahhhhh, now listen boys throw me smack dab in the middle right now

So Ray can rock and roll to satisfy his soul

That's all right!

(bridge)

A lot of bread and gangs of meat

Oodles of butter and somethin sweet

Gallons of coffee to wash it down

Bicarbonated soda by the pound

Then throw me

(Smack dab in the middle)

I picture it

(Smack dab in the middle)

Ahhhhh, throw me now, smack dab in the middle right now

So I can rock and roll to satisfy my soul

Alright!
