Ray Charles, Where Or When

It seems we stood and talked like this, before We looked at each other in the same way then But I can't remember where or when The clothes you're wearing are the clothes, you wore The smile you are smiling you were smiling then But I can't remember where or when Some things that happened for the first time Seem to be happenin' again And so it seems that we have met before And laughed before, and loved before But who knows where or when Some things that happened for the first time Seem to be happenin' again And so it seems that we have met before And laughed before, and loved before But who knows where or when

[The following intro is not sung:]
When you're awake, the things you think
Come from the dream you dream
Thought has wings, and lots of things
Are seldom what they seem
Sometimes you think you've lived before
All that you live to day
Things you do come back to you
As though they knew the way
Oh the tricks your mind can play
