

Ray Conniff, Games That Lovers Play

Da, da-da, da-da, da-da, da-da, da-da-da

There are games that many foolish lovers play,
Blindly chasing happy endings, come what may.
Never caring who gets hurt along the way,
Lets not play those games that lovers play.

Sometimes lovers hurt each other telling lies,
Acting out charades behind their smiling eyes.
If you love me, darling, you must realize,
We cant play those games that lovers play.

Da, da-da, da-da, da-da, da-da, da-da
Da, da-da, da-da, da-da, da-da, da-da

If you love me, darling, let me hear you say:
We wont play those games that lovers play.
Da, da-da, da-da, da-da, da-da
Aaah, aaaah!
