Somewhere, my love
There will be songs to sing
Although the snow
Covers the hope of spring
Somewhere a hill
Blossoms in green and gold
And there are dreams
All that your heart can hold

Someday we'll meet again, my lov
Someday whenever the spring breaks through

You'll come to me out of the long ago
Warm as the wind, soft as the kiss of snow
Till then my sweet
Think of me now and then
God speed my love till you are mine again

Now on my own, think of me now and then
God speed my love till you are mine again
