

Ray Price, Blues Stay Away From Me

Blues stay away from me
blues why don't you let me be
I Don't know why
you keep on haunting me
Love was never meant for me
true love was never meant for me
Seems somehow we never can agree
[steel]
Life is full of misery
dreams are like a memory
bringing back your love that used to be
Tears so many I can't see
years don't mean a thing to me
Time goes by and still I can't be free
Blues stay away from me
blues why don't you let me be
I Don't know why
you keep on haunting me
