

# Ray Price, Please Don't Leave Me

Please don't leave me dear I love you I have place no one above you  
And I'm always thing of you please don't leave I love you  
Please don't leave me dear I need you can't you see how much I need you  
On my knees I beg and plead you please don't leave I love you  
I need you more than my world needs the sunlight  
Because it's you that makes my world bright  
Don't you love me just a little don't you need me just a little  
Don't you want me just a little please don't leave I love you  
[ guitar ]  
I need you more...
