

# Ray Price, Same Old Me

When I saw you with your new love today  
It hurt me in an old familiar way  
And I know there is nothing I can do  
But how long this'll be here waiting just for you  
With the same two arms still missing you  
And the same old heart still bein' true  
And the same two lips they still belong to you  
And the same old me keeps loving you  
[ fiddle - steel ]  
I have tried everything to drive you from my heart  
But the mem'ry of you makes me feel so blue  
And with every heartbeat I can feel the teardrops start  
So you'll always find me waiting here for you  
With the same two arms...
