

Ray Price, Somewhere

There's a place for us somewhere a place for us
He sent quiet and open air waits for us somewhere
There's a time for us someday a time for us
Time together with time to spare time to bear time to care
Someday somewhere we'll find the new way of living
We'll find the way of forgiving somewhere
There's a place for us somewhere a place for us
Hold my hand and I'll take you there hold my hand and I'll take you there
Somehow someday somewhere
