

Razah, Rain

Raindrops Keep Fallin On My Head
But I Think I Can See It's Just
Hidin The Tears From My Face
Since You've Been Gone
I'm So Out Of Place
And I Need You Here Babe

Lord, Give Me A Sign
Show Me The Light
Cause This Love I Have To Fight
Shes On My Mind
All The Time
To Stay Afloat I'll Try

[Chorus:]
Let The Rain Fall Down
Take Me Away
Cause I Don't Wanna Be Without You
Girl I Cant Sleep
Without You Here
So Let The Rain Take Me Away

My Emotions Girl
Are Running Wild
I Feel Like A Little Child
I Need Your Smile
To Brighten Up My Life

I Need To Look Deep In Your Eyes

I Wanna Know If This Is Real
Cause This Can't Be Happening To Me
Pinch Me Please
Tell Me It's A Dream
Cause I Don't Wanna Feel Like This

[Chorus:]
Let The Rain Fall Down
Take Me Away
Cause I Don't Wanna Be Without You
Girl I Cant Sleep
Without You Here
So Let The Rain Take Me Away

When You Left
You Took My Heart From Me
You Mean The World To Me

[Chorus:]
Let The Rain Fall Down
Take Me Away
Cause I Don't Wanna Be Without You
Girl I Cant Sleep
Without You Here
So Let The Rain Take Me Away
