Raindrops Keep Fallin On My Head But I Think I Can See It's Just Hidin The Tears From My Face Since You've Been Gone I'm So Out Of Place And I Need You Here Babe

Lord, Give Me A Sign Show Me The Light Cause This Love I Have To Fight Shes On My Mind All The Time To Stay Afloat I'll Try

[Chorus:] Let The Rain Fall Down Take Me Away Cause I Don't Wanna Be Without You Girl I Cant Sleep Without You Here So Let The Rain Take Me Away
