

# Raze, All Around The World

Chorus:

There's a place I know  
With a spirit of love  
Everywhere I go there's a feeling of hope  
There's a land of love  
Where we can all live  
All around  
Around the world

If you could see what I've seen  
Then you'd believe it's true  
A place where there's no sorrow  
And lives are made brand new

Chorus

We enter by your grace  
Into Your Holy place  
Doesn't matter where we go  
You show how real you are

Bridge:

And I see You all around  
And I need You in my life  
And You hold me in Your arms  
I believe in You

Chorus

And when all my days are over  
When all is said and done  
I stand before my Maker  
Jesus Christ the Holy One
