

Raze, My Everything

when i look in your eyes
i see me & all the things that we could be
i am nothing without you
and if you search my heart
you'd believe its true

chorus :
i'll always love you
i'll always care for you
i'll always love you
you are my everything

look at me & you will see
a man who loves faithfully
i wanna give you what you see when you dream
and when i look at you
i know dreams come true

chorus

it's plain to see what you mean to me
you're my dreams in reality
as i stand here now , i make this vow
to hold on & never let go

you are my everything , i'll give you anything
always be here
you are my everything
the love & the joy you bring
show you care

chorus

you are my everything , i'll give you anything
always be here
you are my everything , my heart as an offering
i proudly give
