

# Razolight, Somewhere else

You're an emotional wreck  
You don't know who you are  
You never say what you mean  
And you keep your mouth shut  
And your knife stays still  
And then you come and call on me  
You say I just can't help myself  
I really really wish I could be somewhere else  
than here  
And I met a girl  
she asked me my name  
I told her what it was  
She looked at me  
I tried to explain  
Exactly what I lost  
But now I just can't help myself  
I really really wish I could be somewhere else  
Than here  
You give me everything I need  
but I really really wish I could be somewhere else  
Than here  
Just anywhere else  
Just anywhere else than here  
And I wont forget  
No I wont forget  
No I wont forget  
And when I saw you there it was the first time  
And you just walked on by  
I was catching the sparks that flew from your heels  
And trying to catch your eye  
But that was  
somewhere else  
somewhere else  
somewhere else  
I really really wish I could be  
somewhere else  
somewhere else  
somewhere else  
I really really wish I could be  
'Cause I just can't help myself  
I really really wish I could be somewhere else  
than here  
And no I just can't help myself  
I really really wish I could  
I've got everything I need  
I really really wish I could be  
somewhere else  
somewhere else  
somewhere else  
I really really wish I could be
