

You keep the right profile  
Eat the right food  
Keep the right profile  
You do what you do  
You keep it all tied up  
You keep it all tight  
You don't stay in bed all morning  
Don't stay up all night  
When your gone you don't come back  
You've got to keep the right profile all the time

I heard about your problems  
I know you got yourself  
I don't care that much though  
Your dad is a millionaire  
He keeps the right profile  
He keeps it tied up with string  
But all your fake tears easy money  
They don't mean a thing to me  
And when your gone you don't come back  
Just go and keep the right profile all the time

When your gone girl  
You don't come back  
When your gone girl  
You don't come back

## Keep the right profile all the time

And it's a wonderful life  
Yes it's a wonderful life  
And it's a wonderful life  
When you do what you like  
And it's a wonderful, wonderful, wonderful, wonderful, wonderful, wonderful, wonderful, wonderful, wonderful,
