

# Ready For The World, Oh Sheila

Like I always say:  
What's good for the goose is always good for the gander.  
Oh Sheila -

Oh baby  
love me right

Let me love you 'till you get aroused.  
Can't you let the others be

'Cause with you is where I got to be.

Oh sugar  
where you been making out with your male friends?  
Listen: somebody's gonna hurt you

But then you love to keep hurting me. And we sing:

Oh  
oh Sheila  
let me love you 'till the morning comes.  
Oh  
oh Sheila  
you know I want to be the only one.

Oh baby  
understand that I want to be the only man.  
But since I was trying too hard

I think I'll start to have my own friends.

Oh baby  
it's plain to see  
that you're qualified to fill your needs.  
You think you've pulled one over on me

Well honey  
baby  
just wait and see. And we sing:  
Oh  
oh Sheila  
let me love you 'till the morning comes. . . .

Oh baby  
it's one  
two  
three  
I love you baby  
honestly.  
I want to de-del-de-del-lee  
a de-del-de-del-loo.  
Oh  
oh Sheila - oh Sheila - oh  
oh Sheila - oh Sheila -

Oh baby  
love me right

. . .  
Oh baby  
understand that I want to be the only man.  
You think you've pulled one over on me

Well honey  
baby

just wait and see. And we sing:  
Oh  
oh Sheila  
let me love you 'till the morning comes. . . .  
Oh  
oh Sheila  
let me love you 'till the morning comes. . . .  
Here we go - oh!
