

Reagan Youth, Reagan Youth

You are the sons of Reagan ...Heil!
You're gonna kill some pagans ...Heil!
The right's your sacred mission
You'll start an inquisition
You're gonna purge the heathen kind?

You are Reagan Youth! ...Heil! Heil! Heil!
Reagan Youth ...Seig Heil!

You are the sons of Reagan ...Heil!
You are the godforsaken ...Heil!
The right is your religion
You watch television
It programs your programmed minds

You are the sons of Reagan ...Heil!
You are the unawakened ...Heil!
You want another war
Forward to El Salvador!
Die to kill a communist?

You are Reagan Youth! ...Heil! Heil! Heil!
Reagan Youth! ...Seig Heil!

Don't be fooled!
