

# Real Life, No Shame

There's no magic  
That can take your place  
No make believe  
To change your life  
If burning bridges fall  
On all we know

Once in a lifetime  
I say let them fall  
I confess  
There's no second chance  
That if you close your eyes  
What you see is what you get  
I know for sure  
To understand  
Everything changes

Oh, oh  
So let's stop playing strangers

Turn away, don't turn away  
No shame, no shame  
It's no shame, no shame

No sense, no feeling  
If burning bridges fall on all we know  
If you touch my skin  
No promises I know my way  
Everything changes  
So let's stop playing strangers

I say let them fall  
Oh, oh

Turn away, don't turn away  
It's no shame, no shame  
No shame, no shame
