

# Reamonn, Just A Day

I just want a day  
to make it all ok  
I just want a day  
To make it all ok  
You, could you teach me  
how to cry  
You, could you teach me  
how to cry  
My eyes are dry - so bone dry  
I just want one day  
To show you I got heart  
I just want one day  
To show you I got heart  
You, could you teach me  
how to cry  
You, could you teach me  
how to cry  
My eyes are dry - so bone dry  
You, could you teach me  
how to cry  
You, could you teach me  
how to cry  
My eyes are dry - so bone dry  
Could you - would you - will you  
Teach me how to cry  
Could you - would you - will you  
Teach me how to cry  
Could you - would you - will you  
Teach me how to cry  
Could you - would you - will you  
Teach me how to cry  
How to cry
