

Reba McEntire, I Can't Stop Now

(Gary Nicholson, Wendy Waldman)

I can't say I didn't know what I was doin'
I can't pretend things just got outta hand
I shoulda kept my distance
While I was still strong
But I got caught up in the feelin'
Carried along and it's
Too late baby
I can't stop now

Well I walked right in with my eyes wide open (I did)
And I was blind when you told me
You'd be mine just as soon as you were free
I should have kept my distance
While I was still strong
But I got caught up in the feelin'
Carried along and it's
Too late baby
I can't stop now

Can't stop now
Crazy heart's runnin' outta control
Can't stop now
And I'll be falling apart somewhere down the road
I might be headed for a breakdown
But I can't stop now

Glen!
