

# Reba McEntire, Runaway Heart

(Paul Harrison)

I'm rolling I'm tumbling, I'm falling apart  
Cause I'll never, no I'll never find love  
In his runaway heart

He's a fast rushing river I can't get across  
Like an ocean of sadness, o'er which I am tossed  
He never slows down, he's always ready to fly  
And when I get next to you it's just hello  
Hello and goodbye

I'm rolling I'm tumbling, I'm falling apart  
Cause I'll never, no I'll never find love  
In his runaway heart

No rope can hold down  
He's not fit to be tied  
Like the wildest of horses  
Nobody can ride

Freedom's his distance  
And the means to his end  
So I'm giving up trying  
Cause I'm just chasing, chasing the wind

I'm rolling I'm tumbling, I'm falling apart  
Cause I'll never, no I'll never find love  
In his runaway heart

In his runaway heart
