

# Reba McEntire, Silly Me

(Ben Weisman/Robert Etol)

Funny how love comes and goes  
With the tears that fill my life does it show  
So listen to my heart beat once again  
Because of you I hope this feeling never ends

Silly me  
I fell in love again  
We started out as friends  
You'd think I would have learned from the hurt before  
Foolish me  
Should I have closed the door  
Promised, even swore to never love this way  
Oh foolish me

They say that love's a chance you take  
You know I've had my share  
But when the nights get oh so cold I need you there  
They say that love's a chance you take  
You know I've had my share  
But when the nights get oh so cold I need you there

Silly me  
I fell in love again  
We started out as friends  
You'd think I would have learned from the hurt before  
Foolish me
